### **A BIT ABOUT US**

The Ferny Grove Bowls Club was formed back in 1987 by a group of local bowlers. Soon after the formation of the club, this clubhouse was built by volunteers. The clubhouse then was as it is from the Samford Road side to the eastern wall at the pokies area, some years later the western section was added. Some years later the Bowlers opened up the facilities to other clubs in the area.

The game of bowls was and still has the most participants in Australia if not the world. It is played by both the young and the young at heart with experience male and female.

Our greens are about 40 metres square and are fully grassed with a plant called 'Tifdwarf' the same as the greens on a golf course. Our greens are our pride and glory. You are most welcomed to have a close look at them, why not ask to have a roll of a bowl by our friendly members.
